

00:39:01 Margy: This opening act sucks  
00:39:17 Margy: Do we have to record this?  
00:40:05 Margy: so i can still go get a beer from my fridge without missing anything?  
00:41:56 espinozak: David is recording and will share to the facebook event page  
00:48:56 David Chapman: All: If you have questions, please put in Chat here.  
  
00:54:08 Mike Smith/WIRFC: When will Capital and clubs be set up so we can start using it?  
00:57:09 David Chapman: Mike S: We don't know. USAR has to set their fees and then it pushes down. Additionally, registration is effective on 9/1  
  
01:00:52 Ronan Keene: <https://usarugby.sportsmanager.ie/maint.php>  
01:00:59 Ronan Keene: <https://clubs.sportlomo.com/>  
  
01:06:46 Margy: Can we ask folks to not have video on? It might help Ronan.  
01:18:20 James Smith: good so far  
01:19:18 Kasey Erb - West Potomac RFC: Will we be able to access insurance certification through SportLomo system? We need it for Field Permits  
01:23:22 David Chapman: Kasey: Good question. I'll add that to my list because that's more of a USAR thing.  
01:23:52 James Smith: Does Sportslomo have an app?  
01:24:17 Jeremy: Is this money banked in the US or will it go outside of the country and incur charges?  
01:33:31 Mike Smith/WIRFC: sportlomo Game Management App, IOS <https://apps.apple.com/us/app/sportlomo-game-management/id1466117463>  
01:37:35 Jeremy Faircloth: Is there a paywall for players to use this? For example, do folks have to pay the various fees before they could see any events or use any of the features?  
01:38:21 Kasey Erb - West Potomac RFC: Any info on USARugby or Capital Rugby including a COVID-19 medical waiver in Registration Forms for spring season?  
01:38:22 David Chapman: I'll add that to my list of questions for later  
01:38:59 David Chapman: (both of the above)  
01:41:56 Bill Lucas: I believe David told me the Capital Women's Collegiate Conference teams are not in his list of teams. Since the Capital Women's Collegiate Conference will no longer be under CRU, will I as conference commissioner have the same type of role that David has for the CRU.  
01:44:50 David Chapman: That is correct, unless CRAA or NCRC do something differently (why, I don't know)  
01:46:17 Mike Smith/WIRFC: SL told me USAR already has the COVID medical questionnaire included  
01:50:16 Kasey Erb - West Potomac RFC: Are we able to make a user-friendly Discount Code? Instead of that jumble of numbers and letters  
01:55:24 Margy: i can't wait until we have government funded rugby.  
02:04:11 Jeremy Faircloth: So the "events" aren't intended to be used for scheduling practices or socials? At least not right now?  
02:07:36 David Chapman: No. In fact, I see this as a Year 2 thing for folks to use... Assuming Year 1 was a normal year,

02:07:38 Margy: so is this also for certification classes where we get coaching or referee classes?

02:08:11 David Chapman: Depends on what USAR does. They could set this up at their level.

02:13:04 Margy: someone can register for use rugby and NCR, right?

02:13:08 Margy: usa rugby

02:13:56 David Chapman: You mean NCRC? That's a question for USAR and NCRC

02:14:15 Margy: wait - you cannot be a player for two USA Rugby clubs, you could be in the NCRC and USA Rugby, but not for both? Right?

02:15:02 Margy: Are the referees set up as a club?

02:16:17 Jeremy Faircloth: Is it safe to assume that club fees can be zero in SportLomo and handled separately from USA Rugby and Union fees until we can figure out how we want to integrate?

02:30:08 James Smith: Good chat! see everyone soon. Have a great evening.

02:30:24 espinozak: thanks all, night.
