Notes:

- MAC is a working committee:
  - Reps from each GU are elected at-large in either 15s or 7s.
  - 15s members are assigned to divisions, create the yearly divisional schedules, add/modify policy.
  - 7s members determine yearly layout of M and W 7s, add/modify policy.
- Not much has happened since Fall 2019 due to the pandemic. However, we plan for back-to-normal activity in 2021-2022.
- Registration
  - All players must be registered to step on the field.
  - All clubs must have paid the USAR club fee.
- We will be using the Competition Management System (CMS).
  - Sportlomo's system is unusable as-is.
  - Senior Club Council agreed to resurrect CMS.
  - Work is being done on CMS; fortunately, we have time before the season starts.
- Schedules are out and club management have seen these.
